ROOTED CUTTINGS

Mrs. C. Edward Akehurst (Akehurst)

Raiser's Description

A pedigreed seedling dating back to 1905. Parentage Genevieve Lord, Flora Hill, Lawson and Enchantress. Color clear rose pink; large flowers three and one-half to four inches; bloom carried on long stiff stems, very fragrant, a healthy strong grower; continuous bloomer and exceptionally free. A money maker.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Pink Sensation (Dorner)

Flowers extremely large, averaging four to four and one-half inches. The keeping qualities are excellent. The color is a well defined pink somewhat lighter than Gloriosa. The growth is stocky, has a heavier foliage than ordinary and throws good, long, heavy flower stems.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Good Cheer (Dorner)

Color deep pink, darker than Gloriosa. Stems extra long and stiff. Size three to three and one-half inches. This good keeping quality. An early and continuous bloomer. As a producer it has exceptional merit.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

Alice (Fisher)

In color a beautiful shade of clear blush pink without a trace of salmon. The blooms average three to three and one-half inches in diameter. It propagates easily and grows rapidly; comes into flower very early; an exceptionally free bloomer. The petals are well arranged. It has a good strong calyx and a burst flower is seldom seen. An easy doer like Enchantress, not as full in petals, but far more productive.

Rooted Cuttings \$12.00 per 100, \$100.00 per 1000.

A fine lot of cuttings ready now.

YOU USUALLY GET ABOUT WHAT YOU PAY FOR. BUY UNDER OUR GUARANTEE AND YOU KNOW THAT YOU WILL GET NOTHING BUT THE VERY BEST.
